Plaintiff,

v.

TOSHIBA AMERICA ELECTRONIC COMPONENTS,
INC.; TOSHIBA AMERICA, INC.; TOSHIBA
CORPORATION; HYNIX SEMICONDUCTOR AMERICA
INC.; HYNIX SEMICONDUCTOR INC.,

Defendants.

The Court has reviewed the notice of related cases filed in
3:11-cv-4819 WHA and determined that the cases are related. The
Court will hold a joint case management conference in all three
cases on May 2, 2012. The case management conference scheduled

1 for April 4, 2012 in 4:11-cv-6172 CW is continued to that date.
2 Defendant's motion to dismiss in 4:11-cv-6172 CW is taken under
3 submission and will be decided on the papers. The parties shall
4 meet and confer and file joint or separate case management
5 conference statements, one week before the conference, proposing a
6 schedule, or schedules, that is as consistent as feasible among
7 the three cases, up to and perhaps including trial. The Court
8 hears claim construction issues concurrently with case-dispositive
9 motions, addressed in single briefs on cross motions, absent a
10 compelling reason. No tutorial will be held and no evidence will
11 be heard, absent further order. The claim construction/motions
12 hearing must be at least ninety days before the proposed trial
13 date.
